To: All 2008 Kirk Banks Tournament Coaches

Re: Low Tolerance Policy

Dear Coach:

Due to the conduct of some players and teams in the U16 and U19 age groups during past Section 7 tournaments, the Kirk Banks Tournament will continue its **LOW TOLERANCE** policy on negative player conduct for this tournament.

To preserve the continued inclusion of these age groups in future tournaments, we will be adopting this policy for **ALL** age groups towards negative conduct by players and coaches before, during and after the game.

**Threats to officials and other players, fighting during the game, and intended or actual fighting before and/or after the game is considered negative conduct and will NOT be tolerated.**

The tournament rules state, "Coaches are to control their players at all times, before, during and after a game". Please adhere to this, otherwise the tournament staff will have to do it for you. The disposition of the player or players will be a joint decision of the Tournament Discipline Committee, with the concurrence of the Section 7 Director.

There will be NO APPEALS.

*Yours in Soccer,*

Maynard Pang
